

DRIVER-ENGINEER (631-18)

SALARY: \$48,347.52 - \$61,226.88 (48 hr. wk.)

\$48,214.40 - \$61,110.40 (40 hr. wk.)

annually, plus liberal fringe benefits

THE POSITION

This is special duty firefighting work in caring for, driving and operating automotive and/or marine firefighting apparatus.

Employees are responsible for the operation of automotive and marine firefighting apparatus in responding to alarms in such a manner as to ensure the timely and safe delivery of equipment and personnel to the fire scene. Work includes driving automotive firefighting apparatus in non-emergency situations, including routine fire prevention inspections. Independent judgment is exercised in determining best route to emergency scene, and making adjustments en route if dangerous traffic or other situations threaten the safety of the apparatus, and in operating equipment at the fire scene. Instructions, direction and work assignments are received from departmental superiors en route to emergency scenes, in fighting fires and at fire stations.

NOTE: The duties of this position will include all of those duties set forth in the official job description.

THE REQUIREMENTS

1. Have two (2) or more continuous years as a permanent Firefighter or a Fire Inspector I by the closing date of this announcement.
- AND**
2. Have completed a Driver-Engineer course conducted by either the Fire Department, Training Division or an approved course equivalent in context and cost given by an accredited outside agency. Such courses must be completed and signed off on by the closing date of this announcement. It is the responsibility of the candidate to provide proof of completion. **SIGN OFF FOR DRILLS MUST BE TURNED IN TO TRAINING AND SPECIAL OPERATIONS BUREAU BY 1630 HOURS, AUGUST 1, 2006.**
- AND**
3. Possess a current valid State of Florida Class "E" drivers license. **CANDIDATE MUST SUBMIT PHOTOCOPY OF LICENSE AT TIME OF APPLICATION.**

THE EXAMINATION

The examinations will consist of two parts, weighted as follows:

1. Written Test (See reverse side for Reference List).....50%
2. Practical Skills Test50%

A minimum passing score will be established as outlined in Article 11 of the Collective Bargaining Agreement.

NOTE: Per Chapter 295.07 of the Florida Statutes, veteran's preference points will be awarded for promotional exams only with regard to a veteran's first promotion after reinstatement or re-employment with the City from active duty service without exception. Proof of eligibility and J-204 Form must be submitted with application.

Tentative Written Exam: Monday, September 11, 2006.

Tentative Review Session will be held at Human Resources, City Hall, 3rd Floor, Tuesday, September 12th, and Wednesday, September 13th, 2006.

HOW TO APPLY

Application forms should be filled out completely and should clearly show that the minimum qualifications are met. Eligibility for hire may be based on a rating of the application; therefore, completeness and accuracy are of the utmost importance. Official City of Fort Lauderdale applications will be accepted and received at the Department of Human Resources, City Hall, 100 North Andrews Avenue – 3rd Floor, Fort Lauderdale, Florida, up to **4:00 p.m., Tuesday, August 1st, 2006**
